

Alfred's Beginning Snare Drum Duets (1-00-16931)

Description du produit

(Description anglaise) Fifteen lively duets for beginning snare drummers that will supplement and reinforce any drum method. Correlating page by page with Alfred's Drum Method, Book 1, by Sandy Feldstein and Dave Black, each duet incorporates newly learned rudiments and snare drum techniques in a fun-to-play context! Included with the book is a CD, which contains all 15 duets. It has been organized so that the performance of the first player's part of each duet is followed by the second player's part, giving the student the opportunity to playalong with either part.
