### Description du produit

---

(Description anglaise) The ALLEGRO by George Fredric Handel is, in some ways, a mini-sonata. It starts with a bright rhythmic duet of clarinet and horn supported by an interesting accompaniment. The work progresses to a slow section featuring the upper woodwinds accompanied by the bassoon. And finally, an abbreviated version of the first section ends the work. This adaptation is a great choice for players seeking excellent material. Duration 7:00 Woodwind Quintet (Grade: 1/4 )
