### Description du produit

---

(Description anglaise) Learn the techniques and styles of today's most popular country guitarists! A fixture on the Los Angeles country music scene, TroyDexter takes players step-by-step through classic country style licks that can also be used in blues, rock and rockabilly. He demonstrates pedal steel licks, bluegrass licks, cascading licks and licks using harmonics, intervals, triads, bends, chromatic passages, arpeggios, open strings, double stops and more. All licks are played in context, then slowed down and explained, and the DVD comes with an instructional booklet. 61 minutes.
